The following information is provided only as a guide and should be confirmed with the proper authorities before embarking on any export activities.

Import Tariffs

Antigua and Barbuda are members of the [Caribbean Community \(CARICOM\)](#), along with the Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and the Grenadines, Suriname, Trinidad and Tobago. Only slightly more than half of the members appear to have implemented the CARICOM common external tariff (CET) whereby goods entering any member country from nonmember countries will be assessed with the same tariff rate. Consequently, a wide range of applied tariff rates continue to exist across member countries.

Customs value is based on the c.i.f. (cost, insurance, freight) value of the goods at the time of import and includes all other foreign costs.
